U.S. Standard Grant Application FAQs

HELPFUL DEFINITIONS

Applicant: A member of the Charitable Class who is applying for grant assistance. The Applicant's name should always be the employee's name, even if someone else is submitting on their behalf.

Charitable Class: A Fund's Charitable Class is the group of individuals who are eligible to apply for a grant per the Fund's criteria. See "Who can apply for a grant from the FirstService Relief Fund?" in the FAQs section for this Fund's Charitable Class.

Eligible Dependent: The Fund considers the Applicant's spouse/domestic partner, minor children, and others for whom the Applicant is financially responsible as Eligible Dependents. The Applicant's parents, grandparents, or other relatives are not considered Eligible Dependents unless the Applicant claims them as a dependent when filing taxes or can provide supporting documentation showing proof of guardianship/financial responsibility. A domestic partner is defined as "an ongoing and committed spouse-like relationship between adults of the same or opposite gender."

A domestic partner is defined as "an on-going and committed spouse-like relationship between adults of the same or opposite gender."

Emergency Assistance Foundation (EAF): EAF is the third-party administrator for the FirstService Relief Fund. EAF independently administers all Fund activities, including accepting donations, objectively reviewing grant applications, and awarding and distributing grants. EAF is a 501(c)(3) tax-exempt, public, non-profit organization.

Qualified Event: Eligible Qualified Events are the events included in the Fund's grant criteria that Applicants can apply for. See "What is a Qualified Event" in the FAQs section for this Fund's detailed Charitable Class

Qualified Expense: Qualified Expenses are eligible expenses that are part of the Fund's grant criteria and vary by Qualified Event. Applicants can select more than one Qualified Expense as it pertains to the same Qualified Event during the application process.

Standard Grant: The Standard Grant is for employees needing significant assistance during times of unexpected financial hardships resulting from a Qualified Event. The application process involves submitting supporting documentation, which is reviewed by EAF as part of determining grant eligibility and grant amount. The grant criteria and eligibility requirements are listed in this FAQ document.

Immediate Response Program (IRP): FirstService may decide to launch an Immediate Response Program in the event of a U.S. Presidential Declaration of a major or emergency disaster (or equivalent declaration for events outside of the United States) that impacts multiple employees (e.g., hurricanes, floods).

IRP grants are solely to provide quick and efficient financial assistance to eligible employees and their families with immediate needs – such as for food and clothing – following a U.S. Presidentially Declared major or emergency disaster. **The IRP will consist of a separate application process and a set dollar amount limitation per Applicant.**

NOTE: If FirstService makes the decision to activate an IRP, the company will send out a communication to employees and a separate FAQ on the IRP grant application process at that time.

NOTE: Applying for or receiving an IRP does not disqualify an applicant from applying for or receiving a Relief Fund Standard Grant. Nor does receiving a Standard Grant disqualify an applicant from applying for an IRP grant.

U.S. Standard Grant Application FAQs

Can I collect and combine several expenses to request a larger grant?

Yes, as long as the expenses are all tied to the same Qualified Event and are designated as a Qualified Expense in the grant criteria. The application allows for several expenses to be selected; however you would need to provide documentation for each. EAF is only able to award for Qualified Expenses that were incurred after the Qualified Event, and the Relief Fund caps grant awards at US \$3,000 maximum.

Can I apply for two grants at once?

While it is highly uncommon, Applicants can apply for two (2) grants at the same time as long as the applications are for two (2) separate Qualified Events.

NOTE: Grants from the Immediate Response Program (IRP) grants do not count against the 2-Standard Grant limit.

Is there an application fee?

No. There are no application fees for the Applicant.

How will I receive the grant award?

Best practices are to distribute the grant directly to the vendor whenever possible. However, Emergency Assistance Foundation (EAF) – the third-party administrator of the FirstService Relief Fund – does have regulatory authority to make grants directly to the Charitable Class Applicant.

Do I have to repay the grant?

No. Because grants from the Relief Fund are not loans, they do not have to be repaid.

What does tax-free mean?

Tax-free means you will not have to pay taxes on the grant award. Grants from the Relief Fund are considered tax-free for grant recipients according to U.S. IRS tax regulations.

For any questions related to the tax treatment of grants received, please contact a tax professional.
